Healthy Hair Starts with a Healthy Scalp

hydracial™ | keravive™

The perfect entry point into the \$3.9 billion hair treatment market.

Our revolutionary new HydraFacial™ Keravive™ treatment delivers a one-of-a-kind scalp health treatment that leads to healthier, fuller-looking hair. HydraFacial Keravive also enhances other scalp and hair health treatments, making it a perfect pairing with dozens of hair and scalp therapies.

Promotes fuller looking hair

- Exfoliates the scalp
- Cleanses hair follicles and stimulates circulation
- Delivers a proprietary blend of growth factors
- Includes take-home treatment sprays
- Complements other scalp health treatments
- Sets the stage for better uptake and efficacy of popular oral, topical, laser, and surgical therapies

INCREASES your revenue

- Provides a natural entry point for a new client base
- Promotes increased visits from both new and existing clients
- Treatments are 30 minutes, freeing staff to deliver more services

HydraFacial Delivers

30%

Additional reduction in brown spots when paired with IPL vs. IPL alone

2X

Firmer & smoother skin when paired with non-ablative fractional laser or fractional RF vs. non-ablative fractional laser or fractional RF alone

2X

Smoother skin when paired with RF or focused ultrasound treatment vs. RF or focused ultrasound treatment alone

50%

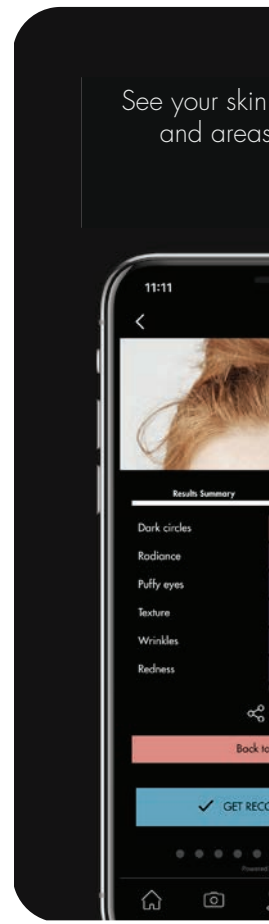

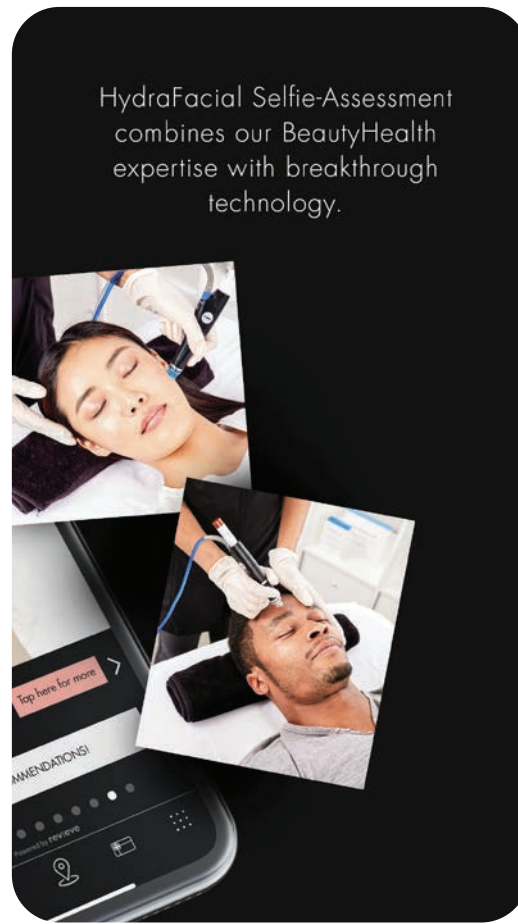

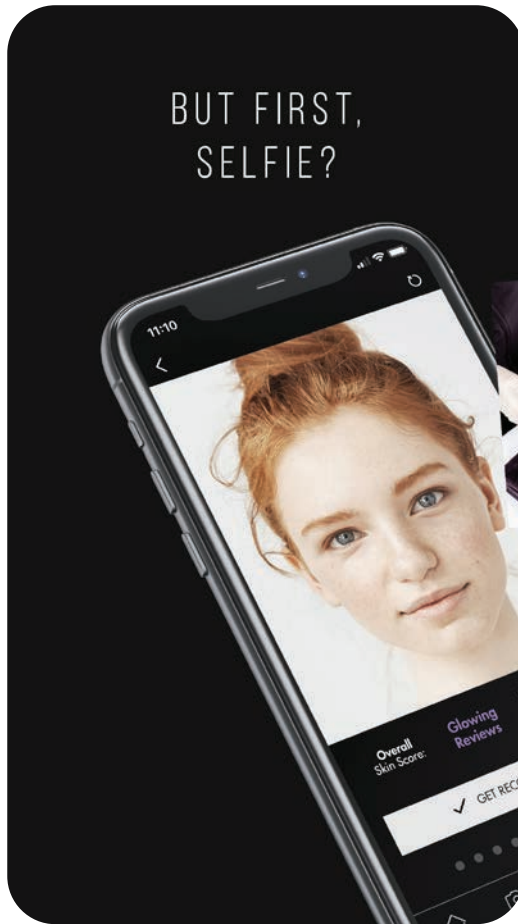

Smoother skin when paired with ablative fractional laser vs. ablative fractional laser alone

...and we play well with others too.

HydraFacial is a game changer as a stand-alone treatment – it's also the perfect way to enhance the results of other aesthetic treatments and therapies.
